**About The Conference & Workshop**

The Vascular Surgery Conference will be beneficial for Surgical Trainees, Surgeons, General Practitioners and Allied Healthcare Personnel. Surgeons who wish to strengthen their skills and confidence in handling blood vessels will have the opportunity to do so in the pre-conference workshop on Vascular Surgery. In addition to the pre-conference practical workshops, there have also been arranged for Allied Healthcare Personnel who wish to update themselves with the latest tips and tricks on Wound Care and major facets of Vascular Surgery.
